Hazardous Services (Chlorine, Phosgene)

- Bellows sealed globe valves

Ethyl Dichloride

- Rotary process valves

Flow/Pressure Measurement

- PTFE/PFE lined valves
- Ball valves
- Butterfly valves
- Sampling valves
- Sight glasses
- Ball check valves
- Knife gate valves

Tank Protection & Accessories

- Tank blanketing valves
- Flame arresters
- Gage valves
- Emergency vents
- Pressure vacuum valves
- Emergency shutdown valves
- Rotary process valves
- Ball valves

Steam

- Steam traps
- Expansion joints
- Desuperheaters
- Ball valves
- Rotary process valves

Flare Gas

- Rotary process valves

Stop Valve

- Rotary process valves

Steam

- Steam traps
- Rotary process valves
- Expansion joints
- Desuperheaters

Reactor

- Sampling devices
- Knife gate valves

Chemical, Pharmaceutical, Pulp & Paper

Petrochemical

Oil & Gas

Mining & Minerals

Power

Marine

Food & Beverage

Black Liquor

- Rotary process valves
- Rapid drain valves
- Control ball valves
- Knife gate valves

Overpressure Protection

- ASME VIII spring & pilot operated pressure relief valves
- Tandem safety selector valves

Wellhead Risers & Offshore Production Platforms

- HIPPS systems
- High pressure pilot & spring operated pressure relief valves
- Manual & motor operated ball valves
- Subsea ball valves
- ALBz butterfly valves
- Rotary process valves

Acid

- Lined butterfly & ball valves

Boiler Feed Water System

- Boiler feedwater heater isolation valves/systems
- Automatic minimum flow recirculation pump protection valves
- Feedwater heater level gages (mechanical & electronic)

LPG Carrier

- Cryogenic butterfly valves
- Cryogenic ball valves
- Cryogenic rotary process valves
- Pilot operated safety valves

Manifold Block

- Manifold blocks
- Double-sealed valves
- Single-sealed valves
- Butterfly valves

Pulp Water

- Butterfly valves
- Knife gate valves

Flow/Pressure Measurement

Refining

- ASME VIII & I high pressure pilot & spring operated pressure relief valves
- Manual & motor operated ball valves
- Rotary process valves
- Instrument gage valves & manifolds
- Flame arresters
- Knife gate valves

Pipeline

- Gas-over-oil actuators
- Subsea actuators
- Subsea ball valves
- ASME VIII high pressure pilot & spring-operated pressure relief valves
- Fully welded top entry ball valves

Circulating Water & Plant Water

- Actuated resilient-seated butterfly valves

Air Separation & Oxygen Service

- Non-ferrous ball valves
- Rotary process valves

Ore Slurry & Pelletization

- Slurry knife gate valves
- Control valves

Balance of Plant

- Steam traps
- Expansion joints
- ASME VIII & I pressure relief valves
- Isolation valves (gate, globe check and butterfly)

Gas Turbine Vessel

- Desuperheaters

Safety Relief Valves

- Spring operated safety valves

Butterfly Valve

Lined Valve, Sampling System

Check Valve

Rotary Process Valve

Knife Gate Valve

Gate, Globe, Check Valve

Safety Valve

Steam Trap, Expansion Joint

Desuperheater
